CHALLENGING THE LIMITS INDIGENOUS PEOPLES OF THE MEKONG REGION MEKONG PRESS

This functionality is provided solely for your convenience and is in no way intended to replace human translation. Challenging the Limits is a volume of papers arising from a conference held in Chiang Mai, Thailand, in 2004. It is the largest scholarly publisher of research about Southeast Asia from within the region.

CHALLENGING THE LIMITS INDIGENOUS PEOPLES OF THE MEKONG REGION MEKONG PRESS

As a historian myself, I find this kind of contextual analysis vitally important if we are to give depth to evidence-based lines of research, and it is a shame that this chapter could not have extended its scope to consider the other states that are included in this volume.

Challenging The Limits Indigenous Peoples Of The Mekong Region Mekong Press PDF Book

Southeast Asianists are notoriously self-conscious about their use of geopolitical models to define the scope of their region and of their studies.

Challenging the limits : indigenous peoples of the Mekong region / edited by Prasit Leepreecha, Don ...

Challenging the limits contains 12 papers by people with both depth and breadth of understanding of the greater mekong region particularly its upland areas and each paper individually presents a strong level of discussion about the ways in which globalization intersects with local practices beliefs and systems of representation it is perhaps surprising that there are not more local voices among the papers given the stated objective of the press only 3 of the 12 are written by. Some of the papers will last the test of time better than others; 2 papers in particular stand out in this respect, those by Charles Keyes and Mikael Gravers.
