We place it where we want our friends to be and we try to be friends. The plan was implemented and became the basis for US preparedness to respond to the Iraqi occupation of Kuwait in 1991.

Desert Storm

The network had previously convinced the Iraqi government to allow installation of a permanent audio circuit in their makeshift bureau. Certainly the crippling of Iraq's electrical production impeded the Iraqi military's ability to communicate, and it undoubtedly also had an effect on war-related production.

Book, Ian Bickerton & Michael Pearson et al, 43 DAYS (The Gulf War), 1991

While a CEP of this magnitude may be adequate if the military object targeted is either very large or is located in a desolate area without a surrounding civilian population, it is wholly inadequate if used against a relatively small target in a populated urban area, since 50 percent of the missiles would not come within even one kilometer of the target, and additional missiles would miss their targets by lesser amounts. Gulf War Facts - 21: On November 29, 1990 the UN adopted resolution 678 setting a deadline for the Iraqi withdrawal of Kuwait.

Operation Desert Storm

In addition, the US moved to support its ally Saudi Arabia, whose importance in the region, and as a key supplier of oil, made it of considerable importance. According to Michael Knights, a high estimate shows the Iraqi Army capable of fielding one million men and 850,000 reservists, 5,500 tanks, 3,000 artillery pieces, 700 combat aircraft and helicopters; it held 53 divisions, 20 special-forces brigades, and several regional militias, and had a strong air defense. A long convoy of Iraqi troops, as well as Iraqi and Palestinian civilians, formed along the main Iraq-Kuwait highway.

Operation Desert Storm

The instruction we had during this period was that we should express no opinion on this issue and that the issue is not associated with America. As a result, Israel's government issued to its citizens. The first stop was Saudi Arabia, which a month before had already granted permission to the United States to use its facilities.
