Institute for Advanced Studies on Asia

Today many young Japanese are engaged in the study of Korean culture and society from an anthropological point of view.

Seiji KURATA

What is interesting is the fact that Ōkuninushi no mikoto was apparently viewed as a kunitama no kami, as evidenced by the fact that he is called Utsushikunitama no kami in both Kojiki and Nihon shoki.

Seiji KURATA

Black-and-white and colour photographs of Japan. Asahi janaru:Asahi journal, Tokyo: Asahi Shinbunsha 33, no.

Minzoku

In a column on the , Kina Daisaku, a part-time curator at , pointed to the fact that Wikipedia hosted this flag with the wrong caption. One measure the business community took to cope with this dilemma was to recruit South Americans of Japanese ancestry, as the law allows second and third generation Japanese South Americans to work legally in Japan provided that proof is submitted that one parent is of Japanese nationality.

Second Shō dynasty

An oddly colored, clockwise version of the banner of the Shō clan's ship drifted to mainland Japan in 1798.

Second Shō dynasty

Should the khwan leave the body, however, the individual will fall sick and encounter misfortune. In the Japanese language, however, there is no need to distinguish between premodern ethnic and modern nation. Tokyo: Institute of Oriental Culture, University of Tokyo, 2004.
