## Quick Scrapbooking Ideas 1

I also use actual numbers instead of the spelling of numbers. Punch, then slide the paper over until the punched piece aligns exactly with the shape printed on the punch.

## 50 Fabulous Scrapbooking Tips for Beginners

It works with paper strips too.

## 50 Fabulous Scrapbooking Tips for Beginners

Plus, when you add the Homestead collection into the mix, like this family scrapbook layout idea, you can see how circles can really unify and pull together a layout! This little boy is adorable and his chalk drawings are fabulous.

## Tools & Techniques

Nobody likes looking at bland scrapbooking titles, adding texture to a title can help make the title stand out from the rest of the page. Or enlarge its size for emphasis.

## Time to Scrap: Techniques for Fast, Fun... book by Kathy Fesmire

Why do beginners love scrapbooking tips? Your office stationery does come in handy.

## Quick Scrapbooking Ideas 1

Punch out using cardstocks and add these page accents to help you create an interesting background design. Sometimes there is something

precious about a certain part of the person that has little to do with the overall theme of your layout.

### **Feature At**

You know what else is limitless? Layout 4: Decorative Borders This last layout design offers a vertical band perfect for adding one eye-catching decorative border. Using the Done Border Punch, punch two border with teal Wi-Fi- icons paper. Adhere the borders side by side on the white strip.
