The Harrowing of Hell (Anastasis): Painting in Pamplona Cathedral Caparros

For a better understanding of the question, we are also resorting to the associations that are made on the texts between the marginalized and the characters of the Virgin and the Devil, justly because they exemplify the models of inclusion or exclusion in these narratives. The atrium of the basilica of San Lorenzo at Milan is of quite special interest for the origin of the medieval cloister, for it possessed a series of small side rooms to which access was had by means of two staircases located in two lateral avant-corps.

Iconography

In his human soul united to his divine person, the dead Christ went down to the realm of the dead. He holds a wish-fulfilling jewel in his left hand, and his right hand he grasps a staff with six rings attached to the top.
