Russia's Arctic Strategy: Military and Security (Part II)

The region experienced two decades of simmering conflicts even before Moscow's illegal annexation of Crimea in 2014, and Russia has used military force against countries in the region four times since 2008. Russian liabilities in the Middle East : Russia has numerous liabilities in the Middle East.

Comprehensive Review of the Situation in the Gulf Region, October 2020 Monthly Forecast : Security Council Report

In pursuit of spheres of influence in the Middle East, the eastern Mediterranean, and the Caucasus, Turkey is precariously balanced against Russia in Syria and Libya. Caucasus Since independence, the Caucasus has been moderately successful in improving transparency and accountability. Russian meddling in the 2016 presidential election poisoned the U.

The Changing Military Dynamics of the MENA Region

Best wishes, Dev Kar Chief Economist Global Financial Integrity Washington DC 20036. While the Black Sea littoral countries want to protect themselves from Russian hostile interference and military intimidation, domestic political factors as well as the countries' membership in or level of association with the European Union and NATO influence the degree of overlap and divergence in their interests. The United States and Israel should elevate Russia to a strategic priority in their bilateral relationship and increase official consultation and coordination on containing Russian challenges to both countries, in the Middle East and in the cyber and technological domains.

Comprehensive Review of the Situation in the Gulf Region, October 2020 Monthly Forecast : Security Council Report

At its most ambitious, Russia would like to establish a long-term military bridgehead in Libya, ideally with anti-access and area denial A2AD capabilities.

The Changing Military Dynamics of the MENA Region

However, like many of the post-Soviet regions, it has recently been the site of increased Russian interference, which could impede its attempts to consolidate and build accountable, transparent institutions. The region is home to three NATO members Bulgaria, Romania and Turkey and several NATO partner countries, so any instability or hostility in the area directly impacts the Alliance.

Maritime Security Issues in the Baltic Sea Region

It will seek a return to the JCPOA and is sure to be more critical of Saudi Arabia, the Gulf states, Turkey, and Egypt and their respective policies in the region, as well as their human rights issues, putting greater pressure on Israel to avoid unilateral actions especially settlement expansion that could undermine a two-state solution and the resumption of negotiations in the future. Limitations related to the Caesar Law will have to be taken into consideration in this regard. Russian military activity in the Arctic can be characterized by a continuous focus on evolving and expanding military capability across different branches and throughout the Russian Arctic.

Critical Issues Facing Russia: Governance and Corruption American Security Project

Combined with cold winters, the low salt content in the Baltic Sea results in high levels of surface ice. Email Sign Up Flanagan, Stephen J. Likewise, geographic factors hamper ISR.

Russia Working on Updated Concept for Security in the Persian Gulf, Lavrov Says

The conflict in Yemen, which has implicated several regional actors, has entered its sixth year and shows no signs of abating.
