## Amos Edelheit

To the Egyptians, Hermes was the inventor of language and writing, the master of knowledge, with power to guide souls at the time of death. Eugenio Garin, Florence: Vallecchi, 1946, 1952. From this perspective life was temptation; man was sinful and unclean and had to be controlled by strict religious rules and rituals.

## Description: Ficino's concept of nature and the philosophy of light

Of the differences among cultural materialists and on the future of cultural materialism, two books bearing the same title, *After Theory*, the first by Thomas Doherty Edinburgh: Edinburgh University Press, 1996 and the second by Terry Eagleton New York: Basic Books, Perseus Books Group, 2003. But that's only a side note. Even though such practices would be frowned upon at best, persecuted at worst, Pico himself, displayed an eagerness to study and learn the traditions of other Non-Christian cultures.
