### Developing Countries 2021

Canada will also maintain an ability to provide targeted and shorter-term assistance to a range of countries and regions.

### Coronavirus is the biggest disaster for developing nations in our lifetime

From the improved international relationships to the increase in job opportunities, this process can form the foundation of trade talks, security agreements, and compacts of mutual aid.

### Canada Overview

All members of the Bank receive votes consisting of share votes one vote for each share of the Bank's capital stock held by the member plus basic votes calculated so that the sum of all basic votes is equal to 5. This will make it possible to deliver more effective responses to humanitarian crises, while taking into account—and responding to—the unique needs of women and girls. In fact, the for 2019, released earlier today, reveal that Canada under the current government is less generous than the previous year, less generous than the Harper government and less generous than its peers.

### Canada's Foreign Aid

Later the rest of the member states followed, either establishing an aid agency under the command of its Foreign ministry or as a separate entity. We need transformational financial investments to help communities around the world better address climate change and adapt to its harmful consequences.

### Foreign Aid Flows: The Canadian Government Is Still Not Stepping Up to the Plate

After two decades of progress, Gavi is now focused on protecting the next generation and reaching the unvaccinated children still being left behind, employing innovative finance and the latest technology — from drones to biometrics — to save millions more lives, prevent outbreaks before they can spread and help countries on the road to self-sufficiency. Canada recognizes the importance of the full participation of women in economic decision making and is committed to helping improve opportunities for women.

## **Canada's Feminist International Assistance Policy**

A world where no one is left behind. To this end, the committee holds regular and Senior Level Meetings where the ministers or heads of the national aid agencies and other development partners meet to discuss issues related to and adopt recommendations and resolutions.
