House of Representatives, One Hundred Twelfth Congress, first session, hearing held in Washington, DC, June 1, 2011.

## Borman, Kathryn M. [WorldCat Identities]

In recent years, education policies have shifted from targeting individual students to developing universal standards for teaching and learning, and comprehensive school reform has emerged as an effective key model. Taking a cue from business—Schools can become more responsive. This book examines social changes affecting education; amplifies case studies of school change; and analyzes the gap between the rhetoric and reality of educational reform.

## Borman, Kathryn M. [WorldCat Identities]

The terminology of school reform remains unclear, obscured by ideological rhetoric. Gender class and teaching in history.

**Buy Changing American Education: Recapturing the Past or Inventing the Future? (SUNY series, Teacher Preparation and Development) Book Online at Low in India**

Changing American Education examines both the nature of comprehensive, large-scale historical and social changes that contextualize educational reform, and amplifies the meaning of lessons learned by those who have assisted in change efforts. Democracy, Education, and Governance: A Developmental Conception. Albany: State University of New York.
