## VSSO

If you would like to donate please consider the Athena Fund. While we cannot provide medical consultation or recommendations over the Internet or by phone for animals we have not seen, we hope this site will answer some initial questions for people whose pets are diagnosed with cancer. I had two sessions of freezing also.

## Veterinarian in Annapolis, Columbia & Towson, MD

Welcome to the MU Veterinary Health Center Oncology Service. Malignant tumors initially grow in the organ where the cancer started termed localized disease.

## Oncology

The ACVIM undergoes a comprehensive evaluation by the American Board of Veterinary Specialties ABVS every three years to ensure that we are maintaining the required standards in our certification process. He died in July of 2014 due to complications from Agent Orange exposure. Cats often lose their whiskers and undercoat with certain chemotherapy drugs.

## Veterinarian in Annapolis, Columbia & Towson, MD

Through a move, we found Dr.

## Oncology Service

This allows us to develop new diagnostic and treatment strategies that may be helpful across species, or we may be able to use differences between species to develop new approaches.
