Bed and Breakfast

Until, that is, Lizzie cuts a deal with George's boss and gets an office twenty-one floors above her husband's.

Bed and Breakfast

.

word usage

It refers to the transition from one century to another, just as turn of the page refers to the transition from one page to another. In the turn of the xth century, the xth century could be the old one or the new one, but for my money it is more likely to be the old one in British English, despite the Wikipedia entry cited below.

Bed and Breakfast

He isn't aware of having revised his opinion; his opinion has been changed for him, updated automatically, gradually, by sensibility osmosis, leeching from glossy magazines and newspaper style sections into George's brain.

Bed and Breakfast

All he knows definitely is that he shouldn't be frank with Lizzie.
