Weren't for this inconvenience, these sections could be quite contributing and useful.

Dictionnaire arabe

For a foreigner learning Arabic, the problem of a fully satisfactory dictionary is the most prominent one. Although they are surely the best, this very annoying problem unfortunately remains still unsolved also by both of the mentioned dictionaries. Actually I use this one more frequently compared to that of WEHR.

styleguide.expo.io: Customer reviews: Dictionnaire Arabe

The producers of dictionaries should understand that theoretical-only solutions at the cost of throwing the user from place to place through the pages is not fair at the first place and should not be attempted at all, unless it is absolutely necessary. Un classement des mots selon l'ordre alphabétique des racines arabes. It is my belief that this difficulty could be compensated to a large extent by citing all the irregular broken words verbs, nouns and plurals and those for which estimation of the root is rather difficult, alphabetically and then sending the user here-from to the root.

Dictionnaire arabe

The dictionary is arranged in the usual root basis for Semitic languages. De la racine au mot. Arabe Un dictionnaire de référence de l'arabe moderne Exhaustif et pratique .:

Livre : Dictionnaire compact plus arabe

Although and perhaps more or less inevitable, the hidden paradox in this approach is explained in my review for WEHR's dictionary. This is well and I accept as a merit.
