Nelly et M. Arnaud : Sautet, Claude, 1924

Like a true gentleman, Mr.

Nelly et Monsieur Arnaud (Nelly and Mr Arnaud)

True to the subtlety of the film the ending is ambiguous, but we can safely entertain the following. Holding her hands, Pierre draws Nelly close and they embrace for a second or two — the only physical affection we have ever seen them share. When she leaves Nelly and Arnaud at the café, she does so to make a telephone call to Tayeb, her partner.

Nelly et Monsieur Arnaud (1995)

The image is an example of a ticket confirmation email that AMC sent you when you purchased your ticket. Nelly , an attractive young woman, is six months behind in her rent and struggling with odd jobs, while her husband lies in bed reading newspapers and watching TV.

Series statement: L'Avant-scène cinéma, n. Nelly is young and beautiful, and poor, and married to an unemployed slug who is stuck in front of the television set all day.

Nelly And Monsieur Arnaud movie review (1996)

Sautet elides to a later stage in the night and we see Arnaud checking a page of manuscript under the glow of a desk lamp. There are no moral judgments or psychological analyses, what you see is what you get - a period of several months from the time Nelly meets a wealthy elderly man to when he leaves for an extended period of time.

CLUB DE CINE

Contributor: Uniform title: Nelly et M. Inizia così una singolare relazione tra M. But we have to wait for its delineation and resolution.
