Planning Policy in the West Bank

Where Jerusalem's municipal boundary line runs through a community, some demolitions in the community are classified under East Jerusalem and some under al-Quds District. Sadly, demolitions during the period March-August 2020 left 442 Palestinians homeless, further exposing many to risks associated with the pandemic. Under the Oslo Accords, most of the Palestinian population is located in Areas A and B, which are under Palestinian civil control.
