Glover, were quite unreliable in the work of taking in signals at night; and in October I put all the signalmen under instruction. Item — expenses at the setting of hem. Probably in the first place from a lock common to the head of a clan, the 95 Coxey Cracker Gow or Gough, Irish or Scotch.

## The Life of King Edward VII with a sketch of the career of King George V by Hopkins, J. Castell (John Castell), 1864

I am especially indebted to you for the skilful and vigorous manner in which you have conducted the proceedings, and I rejoice to be able to

declare that as a result of your de- liberations the hopes which I entertained at the opening of the Conference have been brought appreciably nearer to realisation. Also a little touching as being a phrase associated with comfort to those amongst whom comfort is little known.
