Calvin has nightmares about being shot and is uncomfortable at home with Miranda who is overwhelmed with caring for an ailing husband, two kids, a career and home. TALK ABOUT BEING IN THE DOGHOUSE! Trevor sadly admits that the same thing happened to him and he didn't want to be stuck in the house as a ghost by himself. This was a perfect book to read getting close to halloween but boy was the endings harder to get i got the only good ending but you really had to work for it which was both fun and a little frustrating something I dont think you should feel reading a goosebumps book but over all id recomend it of your a fan of the series or just want a fun book to read to pass the time A fairly standard GYG book.
