It is estimated that around three to thirteen million From 1885 to 1908, an area in Africa now known as the Democratic Republic of the Congo, then under the rule of King Leopold II of Belgium, experienced.

### Book Summary

But recall your mythology: the spun out the thread that measured the lives of mere mortals. Away from civilization, the feelings of danger and possibility start to become attractive to him because of their incredible power.

### Heart of Darkness (TV Movie 1993)

There are many things that occurred in the book but never happened in the movie. Is it only a search for a company employee who is sick and needs to be hospitalized? Every page, every sentence, every word.

### Heart of Darkness

But the wilderness had found him out early, and had taken on him a terrible vengeance for the fantastic invasion. But this narrative is still fundamentally flawed. Marlow is an ambitious and adventurous sailor who is employed by an English trading company and sent to an African colony.

### Of Summary

Through the Red Rubber system, the people of the Congo were essentially enslaved to harvest rubber.

## **Review of 'Heart of Darkness' by Joseph Conrad**

The story told is of his early life as a ferry boat captain. It is estimated that around three to thirteen million people died between 1885 and 1908, perhaps 25 to 50 percent of the total population. Notice the end of that sentence? Based on Joseph Conrad's classic novel about greed and insanity.
