RTM and PV have no other relationships or activities that could appear to have

influenced the submitted work. The study was small but poses further questions about case analysis and the diverse interpretations of the law of similars.

## Homeopathy

Thus, the homeopathic complex according to the present invention may be used trans- species in the treatment of fear-based conditions, depression, grief, home sickness, epilepsy, aggression and as a first aid treatment for anxiety and fear. Therefore it is desirable to provide an anxiety treatment which addresses the significant side-effects associated with conventional drug therapies and is effective when used alone or in combination with other therapies.

## Churchill Livingstone Dictionary of Nursing, International Edition

Other proportions may be contemplated. The tincture and titurates are then combined with each other.

## Principles and Practice of Homeopathy

Example 2 A Double Blind Study into the Efficacy of Two Homeopathic Formulations for Fear of Firework Noises in the Dog Cam's familiaris Materials Treatment A: PLACEBO Homeopet TFLN® as per Example 1. In many cases administration led to immediate relief and the immediacy of this relief far exceeds current anxiolytic response times. As stated above, the use of a homeopathic complex comprising multiple different ingredients is contrary to conventional classical homeopathy teachings and in some pharmacopoeia this is not recommended.
