Ven a cantar, ven a cantar, que ya llegó la Navidad. Every now and then I fall apart And I need you now tonight And I need you more than ever And if you only hold me tight We'll be holding on forever And we'll only be making it right Cause we'll never be wrong Together we can take it to the end of the line Your love is like a shadow on me all of the time all of the time I don't know what to do and I'm always in the dark We're living in a powder keg and giving off sparks I really need you tonight Forever's going to start tonight Forever's going to start tonight Once upon a time I was falling in love Now I'm only falling apart There's nothing I can do A total eclipse of the heart Once upon a time there was light in my life But now there's only love in the dark Nothing I can say A total eclipse of the heart instrumental comienzan a caer truenos cortesía de aucarod Turn around, bright eyes Turn around, bright eyes Turn around every now and then I know you'll never be the boy you always wanted to be Turn around every now then I know you'll always be the only boy who wanted me the way that I am Turn around every now and then I know there's no one in the universe as magical and wondrous as you Turn around every now and then I know there's nothing any better And there's nothing that I just wouldn't do Turn around bright eyes every now and then I fall apart Turn around bright eyes every now and then I fall apart And I need you Two dreamers just dreaming alo-o-one. Seeing it I 2 I! Ding-Dong, ¡Por fin te encontré! What can I do for you? Annie are you ok Dag gone it - baby! It's relaxing, it's satisfying, it may be formulaic, but it's still good.
