On becoming an alpinist, a few thoughts

After a few photographs with their backs bent to the wind, they began feeling their way down a series of gullies. Questions from n00bs about how to start out in the sport or what kind of gear is best are fine as well.

Nejc Zaplotnik, Mountain Poet

At one point, I had accumulated a sufficient amount of experience on relatively hard climbs so that I could not be considered a beginner anymore.

STORIES, becoming an alpinist

I don't really need any resources to do it. Started to make up for lost time due to a childhood spent on prairie land.

How to become an Alpinist : Burlingham, Frederick : Free Download, Borrow, and Streaming : Internet Archive

Stremfelj belayed, watching his friend intently. There are a bunch of neat moderate and hard alpine routes around. This is what our life is like; full of joy, full of sadness, full of longing, full of successes, and of bitter disappointments.

Where to live to become a great alpinist

Afterward, Zaplotnik lost all memory of the next stages of the climb, how they moved from the Yellow Band to the Grey Band. A person I know aiming to be a guide said she first wanted to climb 7b before applying.

How to: Train Like an Alpinist

While you're on the Enclosure Couloir, look at Lowe Route and the High Route on the Enclosure. Mixed climbing September to November. Nobody knew whether Drago was heading down with them or whether he'd made a bid for the summit.

How to: Train Like an Alpinist

Alpine is a whole other animal. At around 8300 meters, a rock chimney reared—the crux of the climb. ZAPLOTNIK'S PERFORMANCE ON GASHERBRUM I did earn him an invitation to Everest—to the most ambitious objective the Slovenians had yet envisioned.
