Dragonsinger is very much one of those books that, while on the surface about music--Menolly, the protagonist, is a young musician who's just gotten the chance to train professionally, essentially, after earlier being told she had no right to play at all--is really about pursuing any art.

Dragonsinger (Book, 1980) [styleguide.expo.io]

The main character Moreta, the Fort Weyre weyrwoman sets out on a mission to save the human population which is quickly diminishing. Formerly forbidden to study music because of her gender, Menolly quickly encounters hostility from a number of her male peers and masters.
