Japan's New Order and Greater East Asia Co

Military technocrats had argued that in modern total wars, the definition of national power had changed. Moreover, among totalist states, they believed that the Japanese case was unique because Japan possessed both the challenges of reorganization of their native land and frontier development of its East Asian empire.

Japan's New Order and Greater East Asia Co

The Greater East Asia Co-prosperity put forth an alternative, ideological basis and a new unifying, organizational principle to articulate the multiple military, political, economic, cultural, and ethnic ties between Japan and Asia. Technocrats believed that Japan had a good chance of prevailing against the larger, resource-rich nations. By abolishing this ordinance and eliminating the examination requirement, people from the private sector could become eligible for public office.

Japan's New Order and Greater East Asia Co

Among those countries smaller in scale which lacked open uncultivated land and focused on restructuring developed areas, England attempted bottom-up type liberal planning to address the social problems of industrialization, whereas Germany pursued top-down planning primarily for the purposes of national defense. Technocrats also sought to provide a new theoretical approach toward measuring national wealth. Following a series of bland and short-lived prime ministers, Koizumi's infusion of fresh energy into a tired and opaque party has been compared with Tony Blair's successful revamping of New Labour in the U.

Nichi

They argued that since liberal countries did not tolerate top-down planning, they could only partly implement national land planning from below. Koizumi, however, had a weak power base in the party and limited diplomatic experience. The second problem was their heavily bureaucratic character.
