In the land of Canaan, these were Semitic dialects, written down using alphabets derived from the Sinai mines. With the emergence of smaller city-states, local leaders began to use local languages to govern.

### How to Teach the Alphabet

Egypt's Recorded History 04:26 Statues and vases significant to the Egyptian people are covered in hieroglyphs that tell stories about the person depicted. Try to find things in your house that begin with that letter. And it was on one of these expeditions, around 4,000 years ago, that some mysterious person or group took a bold step that, in retrospect, was truly revolutionary.
