But my duty's done so for god's sake leave one! Even in checking these things and trying to extirpate them we have sought to put the most generous interpretation possible upon them because we know that their source lay, not in any hostile feeling or purpose of the German people towards us who were, no doubt, as ignorant of them as we ourselves were, but only in the selfish designs of a Government that did what it pleased and told its people nothing. If you do this, you will have changed the atmosphere before the fight actually begins.

The officer of the guard was indignant and was about to sack and burn the house. In fact, the changes described here could come about in the decades to come as the result of economic and technological trends already in place. Where is the escape for me, if I injure their cause or betray their interests? General Banks I was attacked this afternoon about four o'clock by three or four hundred cavalry and some infantry, who dashed upon me and at- 3.
