Nine Days in Heaven, A True Story

If you want more after death understanding of where we all go, try to also read her original book, Scenes Beyond The Grave--The Vision of Marietta Davis. This book is an attempt to recapture the original story in a new modern English text. Normally I like books from people who have visited heaven but this one was very different.

Nine Days in Heaven, A True Story

Enjoyed this book very much. It examines the details of these teachings in light of God's revealed word in the Bible.

Nine Days in Heaven, A True Story: In the Summer of 1848, Marietta Davis Experienced an Amazing Vision of Heaven and Hell that Changed Her Life. Her Vivid Portrayal Touched All who Heard It. This Is Her Story. by Dennis Prince

Dennis and Nolene have three married children and three grandchildren. I like what it says about what separation from God might metaphorically feel like and what actually causes suffering there. User Review - An amazing read that will perk your senses and tweak your consciousness to tell others about, Jesus, the Author of Life.

Nine Days In Heaven

God let me hold, sing to and comfort her for 90 minutes before she left.

Nine Days in Heaven: A True Story (Paperback)

This version of the Vision of Marietta Davis' experience that was rewritten from original text and witness accounts for clarity, is an astounding recollection of the woman's God given revelation during the 9 days she was in a coma. I am so grateful for this book — it is as though someone has given me a ruby.
