## Living independently at home

Smoking cessation had been successful across most wards in the Bradgate Mental Health Unit. The sharing of lessons learnt remained inconsistent across some wards.

## Care and support assessment

Patients records showed physical health care plans and 72 hour checks in place.

## Supported living

Some teams had regular team meetings, other teams cancelled team meetings due to work pressures.

## Leicestershire Communities

Elsewhere on the web You can find out about support available locally in the. However, we saw evidence this was not always achieved.
