## The River Bank from the Wind in the Willows

One may even come to the conclusion that possibly he is right after all. I have focused on culture-bound elements as those illustrate best that a book is tied to a particular culture and time.

## A Journey to Another Time and Place: How a Victorian Children's Classic was Translated in Postwar Finland

CHARLES TO HERMANN Images of America. Inside pages torn and taped. The story ends with the merry band going head-to-head against a fox and his gang after Toad and Rabbit are captured.

## Duck's Ditty

The book was published that same year and became an immediate success. Grahame wrote more stories about some of the characters, which were collected in Dream Days 1898. Shrill, it sounded like sudden hail on the Wind, whispering in Willows.

## Kenneth Grahame and the true meaning behind The Wind in the Willows

It was already getting towards dusk when he reached the first I did my best to keep cried the Rat impa-tiently. The more realistic children's works of , , and began to look out of date.

## The long Wind in the Willows walk

There are, in addition, many other characters, such as Otter and several rabbits, weasels, and other creatures. .
