UNIDROIT

The choice of topics for the UNIDROIT work programme, their priority levels and working methods, as well as the overall line of activities follow the criteria and strategic objectives of the Institute, as set out in its. Extra-budgetary contributions may be made to fund specific projects or activities. STRUCTURE UNIDROIT has an essentially three-tiered structure, made up of a Secretariat, a Governing Council and a General Assembly.

Commercial Trusts in European Private Law

Its purpose is to study needs and methods for modernising, harmonising and co-ordinating private and in particular commercial law as between States and groups of States and to formulate uniform law instruments, principles and rules to achieve those objectives.

Commercial Trusts in European Private Law

Once you have successfully made your inspection-copy request, you will receive a confirmation email explaining that your request is awaiting approval. For further information see the.

Trusts

Reports on these cases from fifteen jurisdictions of the European Union tackle fundamental problems of trust law and show which legal techniques are deployed to solve them across Europe. It is headed by a Secretary-General appointed by the Governing Council on the nomination of the President of the Institute. To assist lawyers in the journey beyond their own locality The Common Core of European Private Law Project was launched in 1993 at the University of Trento under the auspices of the late Professor Rudolf B.

UNIDROIT

Congresses, meetings and seminars UNIDROIT periodically organises to discuss topical aspects of the harmonised modernisation and unification

of law, such as methodology and its practical applications to specific projects or in general.
