5 tips for finding work during the

COVID

They also offer job training and coaching. Those are structured conversations you have with people who work at your target employers or within your fields of interest.

Guru

Anchorage has the most job openings and a relatively reasonable cost of living. Avoid any company that asks you to send money for equipment.

Guru

But even with all of this available information, millions of college students graduate each year into unemployment, underemployment, or, often, a job they hate.

How to Find Real Work

This is a popular recreation area.

Find a Job

The day jobs, the lost years. You may be surprised by the people they know and the leads you can generate. Guru has been so helpful in growing my business in an industry that is tough to get into! Request a list of other employees or contractors to see how this has worked for them.
