Yet the dominant classes rarely have espoused theologies of equality. Americans later pronounced divine plans and interventions in this entire process. Important questions remain in understanding religion in the present-day South.

Anglican

Cultural Subregions Southern evangelical culture also varied greatly by subregion—between city and country, the Southeast and Southwest, Virginia and Texas, Florida and Kentucky, the Appalachian Mountains and the Lowcountry, the piney woods and the Black Belt, the Dust Bowl and the Florida swamplands.

Civil rights leaders employed multiple arguments, many of them involving constitutional protections. Into the Post—Civil Rights Era In the 1980s

and 1990s, the longer-range effect of the civil rights movement appeared paradoxical. Slumbering in a reactionary form of evangelicalism, southern whites faltered before the moral challenges posed to them, from abolitionism through Reconstruction and later the civil rights movement.
