MY STORY

You might think that there is no way forward.

My Story

Sometimes I could picture them beside me, reaching for my hand. Too, I became very frustrated by Smart's constant suggestions of abuse and horror only to be followed by a complete lack of detail. Essentially she talks about becoming a slave to Wanda Barzee and a sex toy for Brian David Mitchell for her nine months of captivity.

My Story by Ingrid Bergman

StoryWorth

Norma Jean has a past as obscure as her identity. She figures her captors out pretty fast and doesn't believe their delusions, but is terrified of them with good reason. On June 5, 2002, fourteen-year-old Elizabeth Smart, the daughter of a close-knit Mormon family, was taken from her home in the middle of the night by religious fanatic, Brian David Mit For the first time, ten years after her abduction from her Salt Lake City bedroom, Elizabeth Smart reveals how she survived and the secret to forging a new life in the wake of a brutal crime.
