## Orpheus and Euridice : opera in four acts (Musical score, 1990) [styleguide.expo.io]

A book that has been read but is in good condition. Magli sang the prologue, Proserpina and possibly one other role, either La messaggera or Speranza. The Berlioz version was first presented at the on 18 November 1859 with Viardot as Orphée, as Eurydice, Marie Ernestine Marimon as L'Amour, Mlle Moreau as L'Ombre, and as the conductor.

## Orpheus and Euridice. Opera in four acts ... English translation by Walter Duclo

In 1999 wrote in the International Journal of Musicology that many scholars hold that Offenbach's music defies all methods. A more recent Berlin production was directed by in 1983; a video of the production was released. The mood of contentment is abruptly ended when La messaggera enters, bringing the news that, while gathering flowers, Euridice has received a fatal snakebite.
