### Using multiple types of studies in systematic reviews of health care interventions

It is essential that the public have access to the full range of resources. Henderson JT, Whitlock EP, O'Conner E, Senger CA, Thompson JH, Rowland MG. Students are encouraged to devise an individualized program of specialization and to take advantage of opportunities for original interdisciplinary research.

### Review of related literature presentation

Theoretical literature reviews play an instrumental role in establishing what theories already exist, the relationships between them, to what degree the existing theories have been investigated, and to develop new hypotheses to be tested.
