## Air Quality Ontario

How do I find it on your careers website? QUESTION: Besides the interview, what other types of assessment are there in the evaluation process? QUESTION: Do I need to disclose if I have previously worked for the OPS? There are also issues relating to audio and video transcription. In an open session, officers were asked to identify the inefficiencies that existed in police interactions with the justice system and to note what efforts had been made in their police services and jurisdictions to address these issues. Often justice system participants are juggling too many balls in the air and insufficient attention is paid to moving serious and violent cases with dispatch.

## Defusing Hostile Customer Workbook For The Public Sector and Government

To reduce plastic waste and limit microplastics that end up in lakes and rivers, the government will work with other provinces, territories and the federal government to develop a plastics strategy.

## Guidance

A summary of survey results and literature review findings will inform a facilitated group discussion session with approximately 20-24 community partners.
