Transatlantic Images and Perceptions: Germany and America Since 1776

The continuity of ambivalence: German views of America, 1933—45 Detlef Junker; 12. Any scholar pouring through the footnotes alone could compile a comprehensive bibliography on any topic relating to the relationship between Germany and the United States. .

Transatlantic Images and Perceptions: Germany and America Since 1776

The images—found in travelogues, private letters, diaries, diplomatic reports, newspaper articles, and movies—that resulted from each encounter frequently reflected the contemporary relations, often foreshadowed future trends, and illustrate how political agendas, prejudices, stereotypes, and pragmatic forces influenced each society's perceptions. Between hope and skepticism: American views of Germany, 1918—33 Elisabeth Glaser-Schmidt; 10.

David E. Barclay

American policy toward German unification: images and interests Konrad H. Barclay and Elisabeth Glaser-Schmidt; 1. They examine the credibility of a variety of sources.

David E. Barclay

Cultural migration: artists and visual representation between Americans and Germans during the 1930s and 1940s Marion Deshmukh; 13.

Different, but not out of this world: German images of the United States between two wars, 1871—1914 Wolfgang Helbig; 6.
