## The Dragons of China

It was unwise to be in possession of one at the moment of birth for it would hatch in the form of a tiny worm or snake and grow within minutes into a full-sized dragon which would whirl up to the sky in a thunderstorm, tearing its way out through the roof. Instead of being feared and hated the Chinese dragons are highly respected creatures of good fortune that bring ultimate abundance, prosperity and good fortune.

## The Dragons of China

The is made up of twelve different creatures with corresponding personality features. Chinese dragon is among the ten mythical creatures, which are created in ancient myths and legends: Zhuzhao, Youying, Yinglong, Huanglong, Qinglong, Baihu, Zhuque, Xuanwu, Tengshe, and Gouchen.

## Chinese Dragon: History, Origin, Totem & Symbol of China

Not only is the dragon prevailing in China, but it's also very popular among the Chinese people living overseas; it has become the symbol of China and of Chinese culture. Liu Bang, the Emperor ian Han Dynasty, has a legendary birth story with a dragon.

## The Dragons of China

These giants floated across the sky and due to their blue color that changed constantly were difficult to see clearly. Dragon sons protect places and implements. The Eastern dragons were assuredly weather-lords.

## Chinese Dragons — Symbolism, Types, Culture, Legends, Art

Many have tried to find the location of the Dragon Gate, but none have been successful. In some paintings it is sometimes red, sometimes gold, sometimes the bluish white of a true pearl.

### **Chinese Dragons — Symbolism, Types, Culture, Legends, Art**

According to Wang Fu, a scholar in the Later Han Dynasty, Chinese dragon has a head of cattle, antlers of a deer, eyes of a shrimp, ears of an elephant, neck and belly of a snake, scales of fish, claws of an phoenix, palms of a tiger. The last dragon children to be born were in 2012 and the next will happen in 2024. Finally after many years of study, practice and meditation the supreme dragon of the heavens will impart the great knowledge and we will see that all is one.

#### **What makes this very rare ‘dragon’ jar so special?**

They can fly in the clouds or hide underwater and spray water to create storms and floods.

#### **What makes this very rare ‘dragon’ jar so special?**

With the help of the dragon, and allied with Huangdi a legendary tribal leader , they opened the prelude to Chinese civilization; so Yandi and Huangdi were considered to be ancestors of the Chinese people. Li, Long-dao said that each of the Gua were like dragons, each with distinct personalities and powers.
