## Before Mastectomy: 10 Tips to Get Ready for Your Hospital Stay and Recovery

I got tires of the smooshed boob and uneven look though so I wear a bra with it to help keep the fake boob in place. ... Mine do not bother me like some of you have mentioned but they have lowered my self esteem for intimate situations.

## Bra or No Bra? Navigating the Post

Participants performed a 70-min five-phase exercise protocol wearing the heat-reduction bra and the conventional bra together with a silicone prosthesis with ventilation holes on the bottom. After waiting not so patiently for everything to heal up and return to sort of normal, I was devastated when none of them fit. Not only do you have to have the balls to risk a wardrobe malfunction, but you have to do it with enough confidence that you look fierce — not terrified — in the photographs.

## Most Women Satisfied With Choice to Go Flat After Mastectomy, but Choice Not Supported by Many Surgeons

Wear what makes you feel like the sexiest woman alive.

## Nonfiction Book Review: Up Front: 2sex and the Post

This is the time to stay true to your inner self.

## Single Women: Finding Your Way

That said, bras with hook-and-eye front closure are even more ideal, as they are supportive and do not dig, points out Dr. I have pockets of fat remaining under my arms after surgery. You are going to have drains, bandages and swelling.

## Nonfiction Book Review: Up Front: 2sex and the Post

Discussing potential problems and possible solutions with your doctor or other members of the health care team prior to treatment will reduce worry and reassure you that, if problems do occur, there are ways of handling them.
