## Book Launch: "A Sociology Of Japanese Youth: From Returnees to NEETs"

Institutions may receive JAR electronically for a modest fee in addition to the hard-copy subscription.

## Review: [Untitled] on JSTOR

They also maintained informal, but powerful, knowledge networks among themselves, although these frequently excluded local staff. .

## Book Launch: "A Sociology Of Japanese Youth: From Returnees to NEETs"

A plausible explanation is the main undertaking of this book. They just accept that it is happening.

## Japan's The Emergence of a New Class of Schoolchildren

Okamoto, Kazue and Teo, Stephen T. This time around, Smith said, his students seem largely apathetic. In addition, the author provides a thoughtful and provocative exploration of such critical educational issues as social-class influences on school success, the role of culture in defining education values, interest-group politics, and educational equality for minority groups in Japan.

## of] Roger Goodman. Japan's International Youth: The Emergence by Kumiko Takahara

The book contains a large number of useful and carefully designed tables interspersed throughout the text and in a sizeable statistical appendix. JAR publishes substantive, peer-reviewed research articles and book reviews in all subfields of anthropology, totaling approximately six hundred pages of text annually. It is a fascinating story and it is apparent that Goodman has reviewed an impressive body of literature.
