Examples of more general studies and reviews include Rodermond et al. . Ciara also contributed to the work of Scholars at Risk through the submission of incident reports.

Children in Care: Exploitation, Offending and the Denial of Victimhood in a Prosecution

Children of Prisoners Europe COPE Montrouge France About this chapter Cite this chapter as: Robertson O. Coming from Canada, the tone and tenor of the discussion about the expanding role of the private sector in policing was striking. They contain papers based on contributions to our Justice and Penal Reform conference earlier this year.

Marketisation and Privatisation in Criminal Justice on JSTOR

Read our collection of criminal justice essays and research papers. For most attendees from the public police and the security industry blending in among the academics, private penetration of the public policing realm was deemed a fait accompli.

Inaugural Irish Criminal Justice Conference 20th September 2014

They contain papers based on contributions to our which was held earlier this year. In 2018, Niamh was awarded the John and Pat Hume Scholarship to conduct her PhD research project under the supervision of Dr Louise Kennefick. An early assessment of gender-specific provision in three Community Rehabilitation Companies.

Young people and bail

This thesis is concerned with the obstacles faced by those entitled to seek asylum under international refugee law but prevented from doing so because of European Union extra-territorialisation policies that are designed to limit human migration into Europe in ways that impact on all migrants, whether they potentially meet the criteria for refugee status or not.

Inaugural Irish Criminal Justice Conference 20th September 2014

The experience of previous initiatives demonstrates the difficulties of achieving this. Name: Warsame Ali Garare Email: warsame. There are dangers in the body of work becoming too narrow, as suggested by Whalley and Hackett 2017 : when white liberal feminists seek to intervene in the criminal legal system, we often see reform efforts that directly strengthen institutions that perpetuate economic exploitation, colonialist notions of progress, and white supremacy.
