## Causes of Plagiarism

The Writing Center The Harvard Extension School offers individual tutoring appointments to help you with your writing assignments and offer advice on the proper use of sources. There are many reasons students choose to plagiarize or cheat. A quick Google search by a moderately tech-savvy teacher or professor can reveal plagiarized content.

## Using Sources Effectively and Responsibly

You must distinguish your own ideas and language from information derived from sources. As new, larger, steam-powered factories became a feature of the American landscape in the East, they transformed farm hands into industrial laborers, and provided jobs for a rising tide of immigrants. Therefore, plagiarism also defeats the university's goal of teaching students to write, not just copy.

## The Plagiarism

You wonder: What were they thinking? This includes slightly rephrasing passages while keeping many of the same words and structure as the original.

## What Are the Punishments for Plagiarism?

While they take the form of yes-or-no and true-or-false exams, they are resources for you to use without the concern about passing or failing. Faculty might turn a blind eye to instances of plagiarism, which can also send the wrong message.

## Understanding & Avoiding Plagiarism

. Students are hoping to see a return on their investment of time and resources in college and watching someone else make a better grade can be painful.

## How to Avoid Plagiarism?

The software compares your document to a database of sources and highlights any similarities or missing citations. To receive the most benefit, read the guide from beginning to end. Correct your citations and give credits to the authors Before you go about doing the citations, first find out the correct ways of doing it depending on the type of write-up you are handling.
