## Testing the neocon agenda: Democracy in resource

The colonies generated the revenues to pay for these through different forms of taxations. The Journal of Developing Areas 51 3 , 153-171.

## EU funding

Home doctors huisartsen, comparable to form the largest part of the first echelon. Collier, P 2007 , The Bottom Billion: Why the Poorest Countries are Failing and What Can Be Done About It, Oxford: Oxford University Press. However, the EMR has not always lived up to its potential.

## EU funding

As Dutch trading company Trafigura Beheer offloaded 400 tons of toxic waste at a landfill near the Ivorian capital of Abidjan in August 2006, the generated fumes killed six people and forced 15,000 to seek treatment for nausea, vomiting and headaches.

## Foreign Aid as Foreign Policy Tool

President Ellen Johnson-Sirleaf fears the aid shortage will further destabilize the already volatile country as it struggles to recover from civil war. Foreign aid is especially multifaceted in countries within Sub-Saharan Africa due to geographic barriers.

## Aid Effectiveness

Or, to put it differently, that the black box is highly elastic and keeps changing through time. Associated Press This article from the International Herald Tribune is optimistic about the future of Africa's economic growth. However, Chinese investments in oil and mining are not necessarily

different from those of France, South Africa or the US, says Pambazuka.

### **Improving the Quality of Care in Developing Countries**

As a result, most agencies funded very large capital-intensive projects, and neglected policies, projects, and programmes related to labour, human capital, and productivity.

### **Foreign Aid as Foreign Policy Tool**

The Netherlands was also ranked first in a study comparing the of the United States, Australia, Canada, Germany and New Zealand. In their analysis of the competitive 2006 Palestinian elections, they note that USAID provided funding for development programs in Palestine to support the Palestinian Authority, the US backed entity running for reelection.
