A Historical Atlas of the Jewish People: From the Time of the Patriarchs to the Present by Élie Barnavi

. Spécialiste du XVI^e siècle européen et de l'histoire contemporaine d'Israël. I'm not Jewish, but as a theologian I am very interested in Judaism.

A historical atlas of the Jewish people : from the time of the patriarchs to the present : Free Download, Borrow, and Streaming : Internet Archive

The E-mail message field is required. A Historical Atlas of the Jewish People for the first time sets forth this history graphically - in nearly a thousand detailed and accurate maps, brilliantly reproduced drawings, photographs, and paintings, plus chronologies and commentaries by dozens of leading experts. I love the look of this book, its feel, and its smell.

A historical atlas of the Jewish people : from the time of the patriarchs to the present (Book, 1992) [styleguide.expo.io]

We see the growth and shaping of the Jewish faith within the turbulence of Middle Eastern history. Spread by spread, it covers all of the main themes of the Jewish experience: the earliest prehistory and the background of the Bible, the movements of tribes, the geographical and political setting, the revolts and wars and religious developments. Treat it as an Atlas and it is a wonderful resource.

A Historical Atlas of the Jewish People : From the Time of the Patriarchs to the Present by Eli Barnavi (2003, Hardcover) for sale online

I just have to have this book.

A Historical Atlas of the Jewish People : From the Time of the Patriarchs to the Present by Tel Aviv Books Staff and Tel Aviv Books (1992, Hardcover) for sale online

With hundreds of brilliantly detailed maps, photographs, and drawings, and chronologies and commentaries by leading experts, A Historical Atlas of the Jewish People is both an authoritative reference work and a sumptuous gift volume. Per la parte antica espone la storia biblica con esplicito invito a prenderla con le molle. I just have to have this book.

Particularly and surprisingly well-preserved; tight, bright, clean and especially sharp-cornered. If you're not a committed Jew yourself, this might be the only book you need on Judaism.

A Historical Atlas of the Jewish People: From the Time of the Patriarchs to ...

Some moderate creases and wear. Sul concetto di popolo ebraico si può molto discutere e infatti è lunga e argomentata l'introduzione dove si parla anche del titolo. Excellent Book I bought this book because it was required for a class, but I have to say that it's a really interesting and well-written book.
