Oceanic Art Definition, Paintings, Sculptures and Artists

The stone images at Tahiti, Moorea and Raiatea are seldom as much as three feet tall, the majority barely half that.

Oceanic art and architecture

Oceanic drawing is revealed in tattooing strictly a Polynesian art , in the designs on tapas made of bark, in figurines engraved on wood and in rock carvings. Naked bodies, dripping with red make-up lead them solemnly round the orchards, whose fertility is bound up with this visit from the spirits.

Oceanian Art

The Style of Oceanic Art The Pacific Ocean harbours innumerable islands where a relatively isolated archaic has perpetuated itself down to our own time, without its variety destroying its fundamental unity. It is salient proof of the fundamental unity of the arts in Oceania.

Oceanian art

The most famous specific type of Oceanian architecture is the Maori meeting-house.
