### Handling challenging behavior problems in the classroom

When finished with your lesson, review the main ideas and perhaps previously learned material.

### Responding to student misbehavior

He arranges another try-out and the boys are offered a contract by the Pittsburgh Pirates.

### The Most Effective ESL Teaching Strategy You're Not Using: Absurdly Short Time Limits

Be as precise as you can regarding the texts and pages that will be used. It may be that missing classes causes lower grades or that students with lower grades miss more classes.

## Student Behavior Problems in the Classroom: Teacher Tips

But without understanding what we hear, none of this everyday listening would relay any practical information to us. Remember that students with disabilities do not have to disclose their disability to their professors or anyone else in the academic environment in order to receive accommodations. Instructors should signal that they are listening by maintaining eye contact with each student who speaks and nodding as appropriate.

## **10 Teaching Strategies to Help Students Listen**

Have students listen to guest speakers, and video or audio clips.

### **Strategies that Promote Comprehension**

Your attention may start to drift and your mind will wander. Teachers should have documentation detailing every issue and how it was addressed.

## **16 Effective Classroom Management Strategies & Techniques**

In two other classes, she just barely passes. Toward a conception of culturally responsive classroom management.
