Dickens' London : an imaginative vision (Book, 1989) [styleguide.expo.io]

There have been thousands of books on Dickens.

How Charles Dickens Saw London

We cannot stave off the inevitable, but it is pleasant to think that though real houses tumble down, streets disappear, and entire neighbourhoods are transformed, the shadowy creations of a gifted fancy remain unaffected by the touch of time. A letter which Charles Dickens wrote to Leigh Hunt at this time is very noteworthy as illustrating his method of work, as well as for its bearing on the point of view I have adopted in writing this paper.

Charles Dickens

Sam had been rgoom to Mr. With little direct State interference, schooling for children of the poor and working classes largely depended on churches, chapels and charitable organisations.

Educating the Poor

Now the street is a ghost itself. Dickens became a sensation in his own time and his legacy lives on. Need we be cynical to enjoy Mr.

Top 10 books by Charles Dickens

He went often to Gadshill place for long stays.

Peter Ackroyd

The character is not you, for there are traits in it common to fifty thousand besides, and I did not fancy you would ever recognise it.

Peter Ackroyd
