By the end of the 18th century, vessels were also being classified according to their rig, rather than their hull form, and this method has continued to the present day. All were from Croatia, bar an English boy.

9780859051446: The Wreck of the Barque Stefano off the North West Cape of Australia in 1875

I got this book from a bookstore in California. The aborigines were hunter-gathers, and the description of their life is fascinating. A fascinating story, with insights into tribal life at that time, and the aboriginal concept of land ownership.

Nonfiction Book Review: The Wreck of the Barque Stefano Off the North West Cape of Australia in 1875 by Gustave Rathe, Author Farrar Straus Giroux \$17 (136p) ISBN 978

Vincent translator , evidence at Court of Inquiry into the wreck of the Stefano, Fremantle, 8 May 1876, C. In 1875, a Croatian barque, the Stefano, hit a reef and sank off the coast of North West Australia. There is a tremendous amount of history to unpack from this short book.

The wreck of the barque Stefano off the north west cape of Australia in 1875 : Gustave Rathe : Free Download, Borrow, and Streaming : Internet Archive

You can read about this incredible rescue story in many published books and articles. Join a new generation of Australians! Miho and Ivan did witness one incident of cannibalism.

The Wreck of the Barque Stefano Off the North West Cape of Australia in 1875 (Book)

This same flavor dilutes any sense of drama or urgency in the narration, but does make the book seem old-fashioned, lending credence to its primarily first-person approach. Of the 12 crew who made it to shore, only two survived longer than three months. .
