What Is Critical Race Theory, and Why Is It Under Attack?

Teachers cannot just hope that their students will have opportunity to put into practice the Christian insights gained; they must actually plan and program the whole learning sequence to involve practice. Since the Bible department never participates in such national examinations, the faculty thought, Could we not devise a test to find out whether our seniors really have mastered the great ideas in the Bible? Donna Velasquez, PhD, RN, FNP-BC, FAANP, retired as Program Director and Clinical Associate Professor at Arizona State University College of Nursing and Health Innovation in Phoenix, Arizona. Realizing that my students will within five or ten years probably forget 95 percent of what I have been trying to teach them, have I conceptualized what must be overtaught in order to ensure the residual 5 percent I hope will remain with them for life? Some students have taken this nine-week class as many as seven times, and it is not unusual for a student to take the class three or four times while he is in the seventh and eighth grades.
