Awakening Your Power of Self

They want to be feared.

Self

Obviously, in modern times, our definition of health primarily relates to the physical body. Our vitality is fourth dimensional. The sixth sense in Buddhism is the way we perceive in our heads.

Self

Your writings on breathing have been good for me.

John Vervaeke

It sounds to me like Claudia experienced a kundalini awakening at the time of her attunement, regardless of the cause. The real work is to uncover our hidden agendas, secret desires, rotting resentments, etc. Here is a perspective about how bones maintain their own health with our help from : Healthy bone continually dissolves old, weak bone and replaces it with new, stronger bone.
