The proportion who owned their home with a loan compares to the regional average of 32. The call went out by letter to all villagers asking for interest free loans with a promise to pay back within 18 months. Ockley in Surrey does not seem, however, to be the scene of the Synod of the 8th century; the circumstances of which point to a place in the north of England.

In 1213 Walter, Prior of Merton, made an exchange with Nicholas Malemayns of land in Ockley. Members of Surrey libraries can search the records for their Surrey ancestors free of charge in any local library in the county and subscribers to Ancestry.

Ockley Village

Nicholas Malemayns in 1278 claimed to have a park in Ockley in his manor. Since the outlying portions on Holmbury and Leith Hills have been separated the parish is entirely on the Wealden Clay, but in the northern part considerable beds of paludinae, forming the conglomerate called Sussex marble, occur. Henry Spooner left a rent-charge of 10 s.
