### Long

Washington DC : National Academies Press US ; 2011 Dec 19. The FUSRAP projects for which data and observations are reported in this paper are considered typical of the radiological nature of FUSRAP sites in general.

### Director Melendez's Opening Remarks to the 2018 Long

We are excited to host this conference again.

### Long Term Stewardship Challenges at the St. Louis District FUSRAP Sites

Filesize: 24.210 MB

(Conference)

This level of engagement between tribes, states, and local governments is critical to LTS.

### Environmental Liabilities: DOE Needs to Better Plan for Post

They said that LM is planning to partner with one or more national labs to assess the impacts of climate change on LM's sites and to determine how these impacts are captured in DOE's environmental liabilities.
